

ELECTRIC CITY DIRT RIDERS
**2012 ROCK CRAWLING
COMPETITION**

JUNE 9TH-10TH
SPECTATORS WELCOME

The competition will be held at the E.C.D.R. Motorsports Complex, located on Rainbow Dam Rd. in Black Eagle, MT. This is not a "timed" race but does have a time limit. All drivers are given a handicap based on vehicle type. There are a number of different trail options rated with different point values. If a vehicle cannot make it up a trail they then have the option of an easier path or winching themselves through. Points for the obstacle will be cut in half when winching. There will be concessions during the day and a bonfire cook-out on Saturday night. Onsite camping is available.

ONE-TIME GATE FEE
